Dear *Mr Tea*

SINGAPORE INTERNATIONAL 100 RANKING 2008 CERTIFICATE

Congratulations on your excellent performance in the recently concluded Singapore International 100 Ranking 2008!

We have enclosed the Certificate of Achievement in recognition of your outstanding achievement in overseas markets for 2007. You now belong to a distinguished group of Singapore International 100 (SI 100) companies for your success in internationalization and to serve as role models for our companies.

The Singapore International 100 Ranking is an annual initiative started in 2004 to identify and celebrate Singapore's top companies ranked by overseas revenue. The Ranking is organised by International Enterprise Singapore, with DP Information Group as the Ranking Organisation, in collaboration with The Business Times, Singapore Business Federation and Singapore Management University.

This year's SI 100 Awards ceremony and networking event was graced by Minister for Trade & Industry, Mr Lim Hng Kiang on 4 November at the Asian Civilisations Museum. The detailed results of the SI 100 Ranking 2008 can be found in the enclosed commemorative booklet as well as on www.iesingapore.com.

Thank you for supporting the SI 100 Ranking. May I take this opportunity to wish you every success in your future internationalisation endeavours!

Yours sincerely,
